LIMITED HOME RULE Japanese Press Is FOR INDIA PLANNED Enthusiastic

Declarations of Intentions of Allies To Others Means Liberty For India

LONDON, July 12 + (Associated Press)-Eventually to set up in India avowed purpose of the plan of limited home rule for that country which has been prepared for submission to the British parliament by Edwin S. Montagu. Secretary for India, and Baron helmsford, Vicerov and Governor-General of India.

Before this goal of self-government can be attained, however, the authors of the new plans say the Indian people should have a period of training. They ayou that the proposed scheme of govm government and say the ultimate What Shinpo Says attainment of the desired goal depends upon the Indiasa people themselves. "It ould not be fair to give it to them until they fulfill the necessary conditions, 'say the secretary for India and the viceroy.

The report has been made public by the government for purposes of discassion and criticism. It has not been det sitely adopted in all its details by the war cabinet.

New Force Found Leading up to a descrpition of their that "declarations of both our own and merican statesmen concerning the lithe growing demand among the progresself government.

Over Intervention

Three Daily Papers of Honolulu All Warmly Praise Decision To Send Large Military Expedition Into Siberia

The determination of Japan, the United States and the European Allies to intervene in Russia, and send a formidible military expedition to Si-berin, is hailed with joy by the Japa nese press of Honolulu, who are unani mous in asserting that the contemplat od step is a wise one.

The three Japanese dailies—the Ha waii Salape, Nippu Jiji and Hawaii Hochi-all have published editorials strongly approving of the proposed Si-berian expedition and declaring it to be a necessary move if Russia is to be saved from the clutches of the Huns. stimment is a temporary expedient in The Hochi also advocates the over femied to provide a method of training throw of the Bolsheviki government.

The Hawaii Shinpo in its editorial

The Japanese government has at lest decided to despatch troops to Siberin to check German influence, hav ing accepted the new proposal of the United States. As residents of the land of the Stars and Stripes and as sub jects of Japan we feel great pleasure and pride in the fact that our native country has shown more concretely than ever her attitude in the war new plan, the official announcement says ing at the same time great military against the common enemy, anticipat and financial sperifices

"The object of military intervention heralizing of the aims of the Allies in Russia is clear to all for the ques thre given been force and vitality to tion has been discussed since last sum growing demand among the progress mer by prominent statesmen, diplomat section of the (Indian) people for ists and businessmen of our country as we'll as those of the other Allies The vicercy and secretary of India It is one of the most important poli opose that the new government in , eies of the present war for the Allies to check the enemy's influence in Rus sia and bring matters there to a vic Provincial legislatures to be come torious conclusion.

Japan's Part In War "Sivee August 28, 1914, when Japan A viceregal legislature for all India, declared war against Germany, she has to be composed of two chimbers—the done many things in the war. Japan logislative assembly of India and the completely cleaned out German influ ence in the Far East by crushing Tsing true and destroying German and Aus Th safety of the Pacific Ocean and the In dian Ocean are now guaranteed by the Japanese navy. A Japanese fleet com posed of several hig ships of war and many destroyers is now patrolling the Mediterranean Sea, which is the cente of activities of German submarines.

"And now Japan is sending be troops to Siberia, to take an importan part in the war in cooperation with the United States and her allies. This action shows that Japan does not coun the sacrifice when she thinks upon the was discussed in Japan a promi nent Japanese statesman and severa business man declared that Japan would lose all the fortune she had made since the war began if she sent he treops into Siberia and continued the ousiness of war there for three years But notwithstanding that, Japan ha now decided to run the risk of pose ty again but to enjoy the great vietory in the future with the Allies."

New Cabinet Wanted tunity for local knowledge and social | The Hawaii Hochi, while heartily ap service wherein Indians have shown proving of the project of sending as themselves to be keenly interested; expedition into Siberia, does not be those wherein mistakes would not be lieve this should be done until the cremediable and those which stand present Japanese cabinet is overturned and a new one installed. The Terauch cabinet, the Hochi contends, has not Contributions to the government of the confidence or support of the major

The Hochi says in its editorial that sevennes. The remaining, provincial it has been, since last spring, advocat ing the despatch of an armed expedi tion to Siberia to save Russia from the Germans. The paper goes farther. The viceregal legislature of all India however, than merely saying that ar will be composed of two chambers the expedition should be sent to cooperate egislative assembly of India and the with the Czecho Slovaks; it should council of state. The assembly is to go right on through Siberia, even as here a membership to 100. More than far as the Ural Mountains, says th Hochi, and should overthrow the Le nine government.

Nippu Jiji Approves

The Nippu Jiji in a lengthy editorial expresses hearty approval of Japan' The remaining one-third would decision, reported from Tokio, to cooperate with the Czecho-Sloveks i opposing Germany and the Bolsheviki Most of the Czecho Slovaks in Siberia it goes on to say, refused to enlist it Austrian army but were forced in At the first opportunity they surrend ered to the Russians. It is believed Besides the governor general that there are about 300,000 of them new in Siberia. They have the sym pathey of the Japanese in their opposition to the Huns.

The Jiji expresses the belief that Journ should send an army of not less el States and the European Allies These, it believes, will be only nomina The proposed countil of princes is in number on account of the difficulty

LITTLE INTEREST IN PLANS MADE FOR G. O. P. PLATFORM

Few Prominent Men Seem To Military Authorities Will Cooper-Have Taken Trouble To Read It

Excitment engendered by the platform enunciated by the Republican ter. complete vesterday for the handling of ritorial convention Monday appeared the coming primary election in Octoyesterday to be about as intense as that her and the regular election in Nocaused by a contest for the heavyweight vember at Fort Shafter and Schofield domino championship at the police sta. Burracks, when a large number of vottion. The vigor of the interest displayed was indicated by the replies of most of the prominent Republicans of the city, who did not attend the convention, when asked what they thought of the platform. Almost without exseption they replied that they hadn't

Apparently, though, some of the Clerk Archibald A. Hapan of Hawaii, Democrats had read it, for their comments were to different effect. "Help! Thieves!" was the yelp they turned loose. "They have stolen our plat-form; they have walked away with

ur principles."

Robert W. Breckons, Republican nacommitteeman, had, however tional read the platform. In fact, it is not taking a long chance to say that he road it before it was adopted, and knew what it was to be before it was writ-Mr. Breckons was quite satisfied with it. He considered it an excellent locoment and no fabre mostosty prevented him from saying so

Breckons Satisfied "Why. I think the platform is first class," said Mr. Breekons. . . It begins by expressing loyalty in a very forceful way and goes on down the line, cover ng in a broad and intelligent manner all the issues now before the people, have no objection to the state which the prohibition plank was left. The party has virtually passed the juestion up to the legislature, where

properly belongs. "The newspapers have had little to my regarding the plank on profiteering, a plank which I regard as of great imortance, as it is no less than notice to

the food administration to get busy "In its personnel the convention vas very satisfactory, for the reason that each district was represented by ne or more of its ablest men. There were Desha, Moir, Cabrinha and Holstein from Hawaii; the Baldwins and others, of Maui; Kaneakus, of Kausi; and a number of able men from Onbuwith A. G. M. Robertson as presiding officer. What better could be desired The convention may have been short to numbers, but it was one of the ablest representative bodies I have ever een here.

"I am satisfied that the Republicans the status of the draftees placed will make a clean sweep in the elec-ion in November, "

What Is a Platform

"I have not thought enough about he platform even to read it," said. A. McCandless; "and I do not know what it contains, except what I have card in casual street conversations. With Alex. Robertson in the chair and ther good men on the floor I felt perectly satisfied that the platform would all right. What are platforms any my! They are like the steps on street its merely agencies over which the difficions climb and find easy seats in-And when they get inside they sually forget the platforms and the people who built them, or made them possible."

Fundamentals O. K.

"I have been so busy," said L. Ten ney Peck, "that I have not gone into the platform carefully. I have seen forty five years is invited to attend. mongh of it, however, to feel satisfied Schnator M. C. Pacheco, who was one that it carries Republican fundamenals, and that is what I care most about. That, to my mind, is the first thing to which any Republican should Purely local questions and the rills which are needed to make a platorm read and run smoothly, I oft all along perfectly willing to leave o Alex. Robertson and the men workng with him."

Watson's Opinion

"Our friends, the enemy," began ludge Watson, one of the many bends of local democracy, "can't very well of themselves on the back for what he Democratic administration has done ind is deing. Of course, it was Amer can for them to emberse the adminisration, and it is hard to see how they ould have done otherwise, for the nel ministration has been uniformly right r. every thing.

"As for other parts of their plat orm the Republicans have samply taku over themogratic policies bodily, Their band plank is Democratic through out, and from beginning to end repeats he ofer- of Secretary Lame which the Rembleans very well knew had the affest endorsement of the Democrats in his Territors and would form as part of their platform. The woman suffrage dank has been in the Demogratic platorm and a part of Democratic policy for eight very, and will continue to so As to their prohibition plan, key have lest it in such shape that it

a negative and means nothing. GAs a whole my canded openion hat when Democratic policies are left sut of the Republican platform, there

FISHING STRIKE IS **BROKEN, CHILD SAYS** AFTER CONFERENCE

Food Administrator Holds Long Meeting With Japanese At Which Situation Is Discussed

LIGHTFOOT EXPRESSES DOUBTS WHEN TOLD

Morning-Situation In Way To Be Settled Is Assertion

The strike of the Japanese fishermen mainland to establish the first Red Cross lule having to go without scafood for The message was received by Harry that length of time is in a fair way Macfarlane, acting secretary of the to being settled, according to a state Hawaiian Chapter, in the absence of ment made by Food Administrator J. F. Secretary A. L. Castle, who is now en Child last night. The statement was route to Washington. Mr. Castle will made following a lengthy conference be of the fishermen.

> d. Lightfoot, attorney for the fisher The lat- men, was not so sure doots," was the way he expressed when told what Mr Child had said At the same time, Mr Lightfoot small he had not seen his clients since the conference held between them and the

food administrat-Another conference is to be held this be adjusted and the strikers will agree to go fishing ngain.

Hold Long Conference

At boon yesterday Mr. Child receiv ed a note from the tishermen requesting that he appear before them at a meet ing to be held during the afternoon in Kakaako and address them, the note in peared at the meeting place at two 'clock and talked with them until fourthirty, answering many questions. There week about 100 fishermen present.

The result of the conference, accord ing to Mr. Child, was that some of the men agreed to go out with their boats, while others, who did not seem to be geons and trained nurses from available clear on all points, asked for another material here, and of the detailing of meeting with him at ten o'clock this

morning, a request which was granted. Mr. Child said that indications appeared to be that the Japanese were being influenced by outsiders to go on

"Our talk lasted from two o'clock until four thirty." said Mr. Child last night, "and in this manner I was able to talk to the fishermen direct. Heretofore conferences have been held with the food commission on the fish question through committees or their atforney. In talking direct to the men yesterday, I was able to explain certain phases of the fish situation which had not been made clear to them before. As a result, the fishermen are beginning see light and it is only a question a day or so before the fish question If he amicably settle.

Although nothing definite was done the fishermen when the meeting came to a close. I received a telephone message shortly after we adjourned to the effect that several of the sampuns determined by placing the six names in take this as an indication that the and that later more would follow. strike has been broken. There were no changes made in any of the present food commission rulings regarding the bandling of fish in this Territory and apparently the fishermen have accepted all the rules laid down by the commission. There has been no back-down of the food commission and a slight mo-tifirstion was made in one of the rules bearing on the sale of fish and that was, to establish one price for freshly caught fish and a lower price for fish which has been kept on ice. It is safe to say that the fisherman's strike has

sioner Child. Lightfoot Kanalua Joseph Lightfoot, who has been the legal representative of the fishermen who has handled their grievances we the food commission, said last night that he had not been apprised of the fact that the fishing strike waat the meeting which was held vester dus afternoon and had not been communicated with at the conclusion of the meeting as to the results of the con-Takahashi Tarogi, a Japanese cane ference or what the next move would ontractor at Waimen Camp, Kawai be, on the part of the fishermen.
